

SECTION 12-1900 ENERGY FACILITIES

(Amended 11/15/2016 from 12-1900 Oil and Gas Facilities and added small solar facilities)

12-1901 INTENT and APPLICABILITY

- A. The intent of this Section 12-1900 is to describe the Use by Special Review process and approval criteria for Energy Facilities. Notwithstanding any other language in the Land Development Code to the contrary, an Energy Facility or related site preparation or development, including any such Facility that requires a Colorado Oil and Gas Conservation Commission (“COGCC”) permit, may not commence without first obtaining Use by Special Review approval, regardless of the zone district or category in which the operation will be located. Energy Facilities are specifically allowed in all zone districts, including Planned Unit Developments, subject to Use by Special Review approval and subject to obtaining other required permits and approvals, unless and to the extent otherwise stated in these regulations.
- B. The administrative Use by Special Review and the Memorandum of Understanding process available as provided under this Section of the Land Development Code shall apply only to an Oil and Gas Facility or Facilities as defined in Chapter 19 of this Land Development Code and to Solar Facility or Facilities as defined in Chapter 19 of this land Development Code.
- C. Nothing in this Section of the Land Development Code is intended to waive or modify any applicable provision of the Arapahoe County Regulations Governing Areas and Activities of State Interest (1041 Regulations).

12-1902 RELATIONSHIP TO SECTION 13-900

This Section provides an Administrative Use by Special Review approval process for Energy Facilities where an applicant has executed an acceptable Memorandum of Understanding (“MOU”) with the County and meets other administrative approval criteria, as set forth in further detail below. An Administrative USR is not available for any Solar Facility or Facilities that exceed two megawatts (2 MW) in power generation or twenty (20) acres in size. In the event that an applicant has executed an MOU and obtains approval for an Administrative Use by Special Review for a particular Energy Facility, compliance with the procedures and criteria in Section 13-900 (Use by Special Review) is not required. In other situations, in order to obtain Use by Special Review approval, the applicant must comply with the provisions of Section 13-900 (Use by Special Review), except to the extent modified in 12-1912 of this Section or waived by the Public Works and Development Department (“PWD”) Director or the Board of County Commissioners (“Board”) in accordance with the authority provided in this Land Development Code.

12-1903 ADMINISTRATIVE APPROVAL CRITERIA

In order to obtain Administrative Use by Special Review approval, an Energy Facility shall first satisfy the following criteria, except to the extent waived by the PWD Director or by the Board:

12-1903.01 Memorandum of Understanding

An MOU acceptable to the County must have been executed by the applicant and the County and currently be in full force and effect, and the Energy Facility as proposed must be in compliance with the provisions of the MOU.

12-1903.02 Satisfy Submittal Requirements

The application and exhibits for the Administrative Use by Special Review must satisfy all applicable submittal requirements in this Section.

12-1903.03 Environmental/Public Health and Safety Impacts

The Energy Facility as proposed for approval shall not involve any site specific conditions that present significant and material impacts to public health, safety or welfare, or the environment, that cannot be adequately mitigated through conditions agreed to by the applicant in the MOU or by conditions imposed upon the Administrative Use by Special Review approval.

12-1903.04 Emergency Service Providers

The Energy Facility applicant must provide a commitment to serve (“will serve”) letter from the authority having jurisdiction for providing emergency services (fire protection and emergency medical services) for that facility, or, where no authority has jurisdiction, from an emergency services provider with the ability to provide such emergency services.

12-1904 ADMINISTRATIVE PROCESS

12-1904.01 Pre-Submittal Meeting

Prior to submitting an application for an Administrative Use by Special Review for an Energy Facility, the applicant is required to attend a pre-submittal meeting with representatives of the PWD, unless waived. At the pre-submittal meeting the applicant will receive direction from County staff that will assist in preparing a complete application for submittal to the County. The applicant will need to obtain a list of applicable referral entities that will be sent a referral packet.

12-1904.02 Review for Completeness

Upon receipt of an Energy Use by Special Review application and fee, referral packets and associated application materials, the Planning Division staff of the PWD shall review the materials submitted to determine if the application is complete and consistent with the standards set forth in this Section.

12-1904.03 Concurrent Referral and Review

County staff will refer the complete application for a fourteen (14) working day review by the various divisions of the PWD and the County Attorney's Office, as deemed appropriate. An application may require review by outside agencies such as the U. S. Army Corps of Engineers, if the project impacts a floodplain, and may also be referred to any life-safety providers, adjacent jurisdictions, local public health department, and others as may be deemed appropriate.

12-1904.04 Address Deficiencies

The applicant will be notified of any outstanding issues in connection with application materials upon completion of this review and will be required to address any issues or deficiencies in connection with the application materials. If necessary, a meeting will be held to discuss any issues that need to be resolved. If necessary, the applicant will then submit an amended application, plan or other submittals, as appropriate, to the County for verification that deficiencies have been addressed by the applicant. If the above described outstanding issues cannot be resolved, the PWD Director may refer the case to the Board for its consideration.

12-1904.05 Final Review

Upon acceptance of the final copy of the application and exhibits by the PWD, the application materials will be forwarded for final review by the PWD Director.
