CASE NO. LDC20-003 PLANNING COMMISSION PUBLIC HEARING
JULY 21, 2020

Case No. LDC20-003 Arapahoe County Land Development Code – Recreational Marijuana Regulations

- Allow the sale of recreational marijuana at the four existing medical marijuana dispensaries located in unincorporated Arapahoe County
- Medical marijuana sales are a shrinking market segment while recreational sales are increasing
- Dispensary operators feel they are competitively disadvantaged when compared to dispensaries located in incorporated jurisdictions that do not restrict recreational marijuana sales
- The proposed regulation changes are specifically limited to only allow the four existing medical marijuana dispensaries to add recreational marijuana sales
- Staff recommends approval
