In the event an appeal is not filed by a property owner and payment of the assessment has not been received, the Zoning Administrator shall submit to the Board of County Commissioners the statement of costs after thirty (30) days have elapsed from the initial billing date. The Board shall thereupon by resolution assess the cost of work against the real property from which weeds have been removed.

The laws of this State for assessment and collection of general taxes, including the laws for the sale and redemption of property for taxes, shall apply to the collection of the assessments.

B. Assessment Deemed Lien - Priority.
