SPARE TIRE THEFTS

January 31, 2013

The Arapahoe County Sheriff's Office is investigating numerous reports of spare tires being stolen from Dodge Ram trucks. Fasteners are being cut to release the tires from underneath the trucks, which means the thefts are not always immediately noticed.

The trucks have all been parked in residential driveways or on residential streets.

The geographical area where these thefts have been reported is shown on the attached map.

If you have any information regarding these crimes, please call the Arapahoe County Sheriff's Office Tip Line at
