ARAPAHOE COUNTY SHERIFF'S OFFICE INVESTIGATING POSSIBLE HOMICIDE

On Tuesday, April 2, 2013, at about 11:10 A.M., deputies of the Arapahoe County Sheriff's Office (ACSO) were called to an apartment in the 8600 block of East Dry Creek Road to conduct a welfare check on the resident of the apartment. Deputies discovered a deceased female inside the apartment who may have been the victim of a homicide.

Based on details developed by ACSO, information was given to other law enforcement agencies regarding a potential suspect in the death of the female victim. Shortly thereafter, the Douglas County Sheriff's Office (DCSO) received a call for service in the 11000 block of East Lansing Circle in Douglas County. After DCSO deputies arrived on scene of that call, they advised ACSO that they were in contact with the suspect. The Arapahoe County Sheriff's Office has identified, and is detaining, the suspect.

The Arapahoe County Sheriff's Office will provide additional details regarding this ongoing investigation after positive identification is made of the victim and proper notifications are completed.
