Arapahoe County seeking applications for Planning Commission *Applicants must reside or own property in the Four Square Mile area*

Littleton, Colorado — The Arapahoe County Board of County Commissioners is seeking applications from citizens who are interested in helping their community by serving on the Planning Commission.

Residents interested in serving on the Planning Commission must reside in or own property within unincorporated Arapahoe County, specifically the Four Square Mile Area (located within the boundaries of East Mississippi Avenue, South Quebec Street, East Yale Avenue and East Jewell Avenue.).

The Planning Commission is the final approving authority for the County's Comprehensive Plan and for location and extent approvals for public and quasi-public developments. The Planning Commission advises the Board of County Commissioners on most other land use and development applications and amendments to the Land Development Code. The Commission conducts public hearings, considers business items and holds study sessions.

The application deadline is Feb. 27, 2015. To fill out an online application, visit the County's website at www.arapahoegov.com and go to Government > Citizen Boards and Committees. Applications also are available through the Commissioners' Office in the Arapahoe County Administration Building, 5334 S. Prince St., Littleton, Fourth Floor. For more information or to have an application mailed or faxed to you, call Carol Dosmann at 303-795-4531.
