Each Telephone Town Hall Meeting lasts one hour. Participants can introduce any topic although we are offering this Telephone Town Hall to get citizen feedback on the future of Arapahoe County and what citizens see as priorities.

During the Telephone Town Hall Meeting, participants will hear a brief introduction from a County Commissioner, who will then answer questions from callers. Participants can request to ask a question or simply listen to the call on the phone without speaking.

Arapahoe County began offering Telephone Town Halls in 2016 to improve citizen engagement and access to County officials. Last year, Arapahoe County was able to reach nearly 20,000 residents, and as a result, Commissioners decided to continue this service to give citizens an easy opportunity to access their elected officials.
