Since the basement is considered unfinished with county records - per Greg Brandon, he recommend we open up the finished walls, that were completed without a permit by the original owners we bought it from	MARIE MAKINANO	519 S OWENS CIR, BYERS, CO 801039768	BLD-2021-00761	4/6/2021	\$ 20,000.00	
	This is a BVI Remediation						
	This basement was finish was constructed prior to obtaining a permit, (See BVI # 2015-00098) As such, no field inspections have been made on the basement. Current code compliant components (framing, fire-blocking, expansion gap, electrical, plumbing, mechanical, etc.) must be field verified. The applicant has requested inclusion of the full basement on this permit, along with the work described above. While a thorough inspection would not be possible without greatly elevated and unreasonable expenses to the applicant, every effort will be made to confirm code compliant life/safety issues in this area. Obvious or discovered non-compliant conditions must be corrected prior to approval. Even though every effort will be made to minimize the effects and cost, to the applicant, of verifying code compliance, it is reasonable to expect that the inspection process and possible remediation of non-compliant code						
	This permit is being issued for an existing 1288sf basement level finish build-out (Finished 1168sf, Unfinished 120sf) over slab-on-grade concrete floor.
