

## Cherry Creek Trail Detour

Construction on the Cherry Creek Trail near Iliff Avenue is scheduled to start in early January with an estimated completion date of early Summer 2022. Construction activities include Iliff Avenue Bridge rehabilitation, trail improvements and environmental improvements.

During construction a full closure of the Cherry Creek Trail under Iliff Avenue will occur. This closure will go into effect Jan. 4 and continue for approximately four months. Trail users will detour along Iliff Avenue to the signalized crosswalk at Trenton Way and back along Iliff Avenue to join Cherry Creek Trail on the other side of Iliff Avenue. See map below for detour information.

Thank you for your cooperation. If you have any questions or comments, please contact the project team using the information below. Please use the QR code below to register for weekly project updates!
