1. From such detail, we will obtain valid support for each individual expenditure over \$15,000 and we will determine that the expenditure is in compliance with Section VIII of Resolution No. 030381, as amended by Resolution No. 110637.

Results: For all expenditures exceeding \$15,000, the description of the services provided or goods purchased included in the support was for an allowable cost under Section VIII of Resolution No. 030381, as amended by Resolution No. 110637.

2. Procedure: For Shareback expenditures, we will determine compliance with Section VIII of Resolution No. 030381, as amended by Resolution No. 110637, as follows:

 - c. Population figures used were provided by the Demography Section of the Colorado Department of Local Affairs or any state agency which takes over the duties and responsibilities of said Demography Section.

- d. Mathematically check that total Shareback equals the percentage outlined in Section A of Section VIII of Resolution No. 030381, as amended by Resolution No. 110637.
3. Procedures: Recalculate the percentage of costs coded to administrative expenditure codes (cost centers 2829800100, 2848100100, and 2855800100) and determine if the recalculated percentage exceeds 4% of total sales and use tax revenue in accordance with Section D of Section II of Resolution No. 110637.
