

ANDREW DEVRIES

Deputy

About Me

Deputy Andrew DeVries started his career in 2008 in the Detention Facility. He was then assigned to patrol and now has been a school resource officer (SRO) since 2020. He also has been a driving instructor since 2018 as well as a UAS (drone) pilot since 2020.

Q: What do you tell students & parents about school safety?

WORK TOGETHER!!! If you see something... say something no matter how small it is. Small issues can always escalate to bigger problems and you never know which small problem will turn into that big one.

If everyone communicated with each, we have a better chance at keeping our children safe.

Q: What do you enjoy most about being a SRO?

I enjoy being a positive influence to our next generation and someone they can look-up to and trust. I want to be another adult in a kid's life where I can share some of my tools/skills to help develop themselves into young adults.

Q: What is one accomplishment you'd like to tell us about?

Personally: My family is my biggest accomplishment.

Professionally: I was a member of the Sheriff's Office Honor Guard Team for several years and it was a honor to honor Law Enforcement's fallen.

Q: What is your favorite hobby?

My favorite thing to do is be a father and husband and just spend time with my family. When I get spare time I enjoy a good round of golf and playing any other sport I can get involved in.
