Deputy

## About Me

Deputy Candace Gray started her career as a Deputy Sheriff in 2007 where she worked in detentions and moved onto work patrol a short time later. She now works as the assigned SRO at Cherry Creek Academy.

## Q: What do you tell students & parents about school safety?

Report things no matter how big or small you think it might be. We are also open to new ideas or suggestions. School Resource Officers at Arapahoe County asses for their positions and make school safety a priority. We train throughout the year to ensure accuracy and different "what if" scenarios we might face. We would like parents and students to know we take their students safety seriously, as if they were one of our own children.

## Q: What do you enjoy most about being a SRO?

I like being able to mentor kids and be a positive role model in their lives. I like being able to help teach them about safety and be there to listen when then need someone to talk with. I enjoy getting to know the students and learning about them, or even just having lunch with them, just to see how their day has been. I try to make each student feel safe and excited to come to school.

## Q: What is one accomplishment you'd like to tell us about?

Being a Mom, and a driving instructor.

## Q: What is your favoriye hobby?

I like camping, traveling, hanging out with my kids, husband and dogs.
