He has been a school resource officer (SRO) since 2020. In 2022, Deputy Jones was assigned the second K9 in the School Resource Therapy Dog Program, "Zeke." Deputy Jones and Zeke are currently assigned to Newton Middle School in the Littleton Public School District.

Q: What do you tell students & parents about school safety?

Everyone has a roll to play in school safety. Parents need to have honest, open communication with their children, and students need to have trusted adults they can speak with when issues arise. For schools to be safe, everyone has to be the eyes and ears and report any concerns.

Q: What do you enjoy most about being a SRO?

I enjoy teaching classes and mentoring students. I love to see the growth kids make between sixth and eighth grade. The addition of Zeke has changed my job from amazing to unbelievable. The amount of kids who we have the opportunity to interact with on a daily basis is wonderful, even though the students (and staff) are much more excited to see Zeke than me.

Q: What is one accomplishment you'd like to tell us about?

My biggest accomplishment is my family. Without their support, I would not be where I am today. My biggest career accomplishment is being a member of the School Resource Therapy Dog Program. The connections Zeke and I make with our students and community members are amazing.

Q: What is your favorite hobby?

I like to hike, travel, and spend time with my family. Zeke is part of our family too, and we really enjoy including him in our activities as well.
