Q: What do you tell students & parents about school safety?

Report suspicious activities, take any verbal threat(s) seriously, follow school procedures during drills and don't let ANYONE in the school. Together, we can keep each other safe.

Q: What do you enjoy most about being a SRO?

I enjoy interacting with the kids in a positive environment, whether it be shooting hoops during lunch and P.E., attending their school events or running into current or former students at their place of work or a social function during the summer.

Q: What is one accomplishment you'd like to tell us about?

Gaining the title of United States Marine, being a dad and having many firearms instructor/SWAT successes.

Q: What is your favorite hobby?

I like to boat, wakeboard, fish and travel with my kids. I love getting them outdoors with their friends and doing something that they love to do.
