## About Me

Deputy Michael King started his law enforcement career in 1996 and has been a School Resource Officer (SRO) since 2021. He serves at Eaglecrest High School. During his time on the force, Deputy King has served in detentions, and primarily on patrol. He has been a Field Training Officer (FTO) since 2005 and also is a member of the SWAT Negotiators Unit.

## Q: What do you tell students & parents about school safety?

Don't hesitate to report anything suspicious that occurs on or off campus. Also, let a SRO or faculty/staff member know about threats of any kind, cases of bullying and abuse.

## Q: What do you enjoy most about being a SRO?

I love getting to know the students and building positive relationships. I want the kids to be comfortable in coming to me with any concerns. I also like attending their extra-curricular activities, such as sporting events. My office door is always open when I am in there, come say hi!

## Q: What is one accomplishment you'd like to tell us about?

That's a tough question, as there have been many over the years. I'd have to say that graduating the academy back in 1996 was a highlight for me.

## Q: What is your favorite hobby?

I enjoy camping with family and friends. I have a recreational vehicle and love to take it out! Anything that involves travel and the outdoors. I also am a huge animal lover. I enjoy caring for my furry "kids" at home!
