

ALEX LIGON

Deputy

About Me

I started my career with the sheriff's office in 2008. I working in the jail for 5 years and patrolled the streets for 7 years. I have been a school resource officer (SRO) since 2020.

Q: What do you tell students & parents about school safety?

Talk to your kids about things going on at school, things happening in class and outside with friends. Report any suspicious activities and take any information seriously, that way we can follow up with the information to see if it's valid. For students, make sure you follow school procedures during drills and never let anyone in the school if you see anyone that looks suspicious.

Q: What do you enjoy most about being a SRO?

I enjoy interacting with the kids in a positive environment. Teaching kids about life and some of the things they're going to encounter as they grow up. I enjoy being able to provide safety and security to the students and staff so they can relax and learn in a comfortable environment.

Q: What is one accomplishment you'd like to tell us about?

I earned a full athletic scholarship from the University of Colorado at Boulder for football. I was the first one in my family to graduate from college.

Q: What is your favorite hobby?

I enjoy hanging out with friends and family on the weekends. I love attending all kinds of sporting events. I love traveling to countries all over the world and experiencing different cultures and learning about the history of these other countries.
