

NARDI ADAM

Deputy

About Me

Deputy Adam Nardi served in the United States Marine Corps as an infantryman. He has been a deputy with Arapahoe County since 2003 and has worked detentions, patrol, and as an SRO since August 2019. In September of 2022, he partnered up with K9 Riley, a black Labrador Retriever.

Q: What do you tell students & parents about school safety?

Don't feel like you are bothering law enforcement. If you see something that may be unsafe or hear about it, say something! We would always rather air on the side of caution to keep our community and students safe.

Q: What do you enjoy most about being a SRO?

I love that we can help educate future leaders in how to become better people. Many times, the SRO may be the only interaction a person has ever had with law enforcement. We can make it a positive experience. For those people who may have had a negative experience with law enforcement, we can hopefully change their perspective. Being Riley's handler has allowed me to have the best job at the Sheriff's Office!

Q: What is one accomplishment you'd like to tell us about?

Having faith in God! Being a father, a husband, and serving my country as a US Marine.

Q: What is your favorite hobby?

I like to take my dogs for a walk, spend time with my family, do yard work, and bow hunt.
