Q: What do you tell students & parents about school safety?

Be aware of your surroundings while at school and if something seems wrong or odd, let school staff know. Your School Resource Officer is there to help with safety concerns and ensure a safe environment for staff, students, and visitors.

Q: What do you enjoy most about being a SRO?

I like being able to answer law enforcement questions for the staff and students! I like being able to help students through a crisis they are experiencing in their lives, big or small, and creating a positive law enforcement interaction.

Q: What is one accomplishment you'd like to tell us about?

Coaching little league wrestling for approximately 8 years and helping guide kids into wrestling for High School! One of the BEST sports to be involved in!

Q: What is your favorite hobby?

I love spending time with my wife, three kids and granddaughter (especially in our beautiful mountains)!! I like fishing, playing horseshoes and going on road trips!
