## Q: What do you tell students & parents about school safety?

Students need to be open with their parents and let them know about any problems or issues they are experiencing while in school. Parents need to be active in their Kids' lives and report any type of negative behavior that their child is experiencing. They also need to report all suspicious activity and any type of threat to either a school staff member or an SRO.

## Q: What do you enjoy most about being a SRO?

I enjoy being a positive role model to the kids of all ages. I enjoy talking to them in the hallways, playing football/whiffle ball/ basketball at recess and lunch. I also enjoy being in the schools to provide protection to the students and staff.

## Q: What is one accomplishment you'd like to tell us about?

Being a father to 3 beautiful children.

## Q: What is your favorite hobby?

I enjoy watching my kids play sports, spending time with my family, working out, camping, hunting, and fishing
