Q: What do you tell students & parents about school safety?

Everyone has a role to play in school safety. If you see something suspicious, say something. Being vigilant as a student, staff member or parent is key to ensuring a safe school community. No matter how small something may seem to you at the time, it could help prevent something adverse from happening in the future.

Q: What do you enjoy most about being a SRO?

I enjoy being able to make a positive impact on students. I like being able to mentor students on their future goals and I enjoy being able to interact with students in a positive environment.

Q: What is one accomplishment you'd like to tell us about?

Being a father is my biggest personal accomplishment. Professionally, it would be becoming an FTO and an SRO.

Q: What is your favorite hobby?

I enjoy hiking with my family, fishing, hunting and ice hockey.
