

BEATRIZ QUINTANA

Deputy

About Me

Deputy Beatriz Quintana has been in Law Enforcement since 2006 and became an SRO in 2021. She has worked in Detentions, Courts, and Patrol.

Q: What do you tell students & parents about school safety?

I enjoy talking with people and having conversations on school safety as it is a big part of our job. I talk to students, staff, and the community about reporting any issues which they believe will keep everyone safe, no matter how big or small. Being aware of what's around you and not being afraid to report any suspicious activity is imperative. I want the community, staff, parents, and students to have a great feeling about being in school, sending their kids to school, and living in the community around the school knowing they are in a safe place.

Q: What do you enjoy most about being a SRO?

I've been an SRO for a short period but what I've enjoyed the most has been my interaction with the students. I enjoy having conversations with them and learning about who they are.

Q: What is one accomplishment you'd like to tell us about?

Completing my degree while working full time hours, becoming a peace officer, and of course MY FAMILY.

Q: What is your favorite hobby?

Traveling to different countries and learning the history and culture. I also LOVE the beach!!!
