ACRES (including grading/excavation/fill) _____ Estimated Material Volume _____

Required Information:

1. General Location Map at a scale of 1-inch to 1000-feet to 1-inch to 8000-feet including the general facility of site location, including all roadways.
2. Detailed plan showing: limits of work area, proximity of work are to property lines, all surface water hydrologic features within 100 feet of proposed work area, directional flow of surface water runoff, and proposed erosion and sediment controls.
3. Open Space Tax Form to be filled out completely and submitted with each Permit.

By signing below, both applicants hereby apply for a Arapahoe County GESC Permit for the aforementioned property and certify as follows:

1. To the best of my/our knowledge, the information provided herein is correct; and is consistent with the approved engineering plans.
2. A GESC Plan for the disturbed area on this site was prepared in accordance with the GESC Manual, as amended and the Arapahoe County Stormwater Manual.
3. I certify I am legally authorized to sign on behalf of and bind the above-listed entity.

The GESC Permit is granted with the explicit understanding that it is the permittee's responsibility to:

1. Comply with all requirements in accordance with the Arapahoe County GESC Manual, Arapahoe County Stormwater Manual, GESC Plan and Report, and GESC Permit.
2. Allow Arapahoe County, or its designee, unrestricted access to the site to conduct regular site inspections and to perform corrective actions in the event the Permittee fails to provide sufficient remedies to correct site deficiencies.
3. Immediately cease land-disturbing activities upon receipt of a written Stop Work Order from authorized representative of Arapahoe County. A Stop Work Order shall be issued and this permit revoked if the permittees are not in compliance with the Arapahoe County Stormwater Manual, GESC Permit, GESC Plan & Report and GESC Manual or the permittees fail to take corrective action within the time specified on the written notification of such non-compliance.
4. Understand that in addition to other remedies, a violation of the GESC Permit shall constitute a violation of the Arapahoe County Zoning Resolution; and
5. Understand any approval obtained from Arapahoe County does not absolve the need to comply with the requirements of Sections 7 and 9 of the Endangered Species Act of 1973, 16 U.S.C. 11531, et seq., as amended, or with any other applicable federal, state, or local laws or regulations.
6. Eliminate designated hazards whenever an Arapahoe County representative determines that an excavation or embankment of fill on private property jeopardizes life and limb, or endangers property, or adversely affects the safety, use, or stability of a public way or drainage channel. Failure to eliminate a designated hazard within 48 hours will result in issuance of a Stop Work Order.
