

**Nancy Lynn Begg Shoupp**

Age: 26

Date Missing: April 28, 1990

Case #AC90-12771

The last time Nancy Lynn Begg Shoupp was seen was on Saturday, April 28, 1990, when she left Boulder, Colorado and was headed home to meet with her estranged husband, Steve, to pick up their two small children. Steve and Nancy were separated and Nancy had decided her marriage with Steve was damaged beyond repair; therefore, she had filed for divorce. Reportedly Nancy never arrived to pick up the children from Steve. After many unsuccessful attempts to reach Nancy, her mother, who lived in Grand Junction, Colorado, called Nancy's employer on Monday and learned that she had not shown up for work. According to Nancy's employer, it was extremely unusual for Nancy not to call in if she was going to be late or miss work; because of this, the authorities were notified. Investigators found Nancy's vehicle at her residence; however, Nancy was nowhere to be found. Nancy Lynn Begg Shoupp has not been seen or heard from since April 28, 1990 and foul play is suspected in her disappearance because Nancy, being a devoted mother, would never leave her children by choice.
