Guide to Adjustment

ALTERNATIVE SENTENCING PROGRAM OVERVIEW

The Alternative Sentencing Program or ASP consists of four programs designed to help the offender be a productive part of society by assisting them to continue employment or attend school, support their family, maintain financial obligations, and/or attend required therapy. To be eligible for ASP, you must have approval from your sentencing judge for the specific program and complete an ASP application. We request prepayment of program fees; refer to the application for the current fee schedule. Anyone participating in the Work Release or Home Detention Program will be provided with a GPS monitoring system and instructions on the care and use of this equipment.

Work Release – Allows you to leave the facility for work only and immediately return to the jail.

Multiple Offender Program (MOP) – GPS monitored Work Release with mandatory alcohol therapy and/or education classes. Home Detention may be authorized after approval from CrossOver Counseling. While enrolled in the Multiple Offender Program you will adjust your work schedule to attend therapy classes.

Home Detention – GPS monitored Work Release based out of your home. You may be direct sentenced to Home Detention but must complete an application and be processed in the ASP office prior to beginning your sentence at home.

Weekender – Serving your jail sentence on weekends to prevent interference with your work schedule.

We realize this is a difficult situation for you and your family. Success in completing any of the Alternative Sentencing Programs and satisfying your sentence requirements depends on your cooperation and abiding by the rules set forth in this Guide to Adjustment and the rules and regulations of the Arapahoe County Sheriff's Office Detention Facility. Failure to comply with the above mentioned rules may result in your termination from the ASP.

ALTERNATIVE SENTENCING PROGRAM FEES

ASP fees are approved by the Arapahoe County Board of County Commissioners. Your fees will be assessed daily and will be automatically deducted from your inmate trust account. It is your responsibility to maintain a positive balance in your account.

INMATE ID CARD

An ASP inmate ID card is issued to every inmate participating in the program with the exception of the Weekender Program. You must always have your issued ID card with you. If your card is lost or damaged, a duplicate ID card will be issued and the cost will be deducted from your account. Lost or damaged ID cards must be reported to the ASP staff as soon as possible. If you are contacted by law enforcement for any reason you must present your ASP ID card to the officer. On your release date you shall surrender your ID card to the deputy releasing you from custody.

CONDUCT

Inmates participating in the ASP are subject to the same rules that pertain to the inmates housed in general population in addition to the rules of the ASP. Failure to comply with these rules or municipal, county or state laws may result in disciplinary action and reassignment to general population. Refer to the Inmate Information Handbook on the dayroom kiosk for additional information.

PRISON RAPE ELIMINATION ACT

The Arapahoe County Sheriff's Office maintains a zero tolerance policy regarding sexual abuse and sexual harassment of inmates, both by other inmates or staff; report any incidents or suspicions of sexual abuse or sexual harassment to a staff member.

APPROVED PROPERTY

Below is a list of approved property you are allowed to bring into the facility. It is your responsibility to maintain control of your personal property and keep it secured while participating in the Alternative Sentencing Program. - Razors will be distributed by deputies in the morning and must be returned in the same condition you received them.

CLOTHING AND PERSONAL ITEMS

You will need enough clothing for a seven-day period. During your four-hour furlough you are allowed to bring approved personal items into the facility. Any hygiene, laundry, or snack items must be purchased from commissary; no food or beverage items may be brought into the facility. Unauthorized

items will be placed into a 72 hour locker in the Pod 2 receiving area. It is your responsibility to remove these items from the facility the next time you leave. These items must be removed from the facility within 72 hours or they will be destroyed. Once an item has been removed it will not be allowed back into the facility or it will be destroyed.

COMMISSARY

Commissary may be purchased once a week through the kiosk located in the pod. Purchases are limited to \$75.00 per week and sufficient funds must be in your account to cover the cost of your order. Funds must be deposited by 6:00 p.m. (1800 hours) on Wednesday. Commissary orders are delivered on Friday and are distributed upon your arrival to the work release facility.

CONTRABAND

Contraband is anything in your possession, or under your control, that is prohibited by State/Federal Law or the policies, procedures, rules, and regulations of the Detention Facility. You are prohibited from having any items not purchased through the commissary, not permitted by staff at intake, or any items not issued by the Detention Facility.

You may possess only the specified items listed above in the Approved Property section of this Guide to Adjustment.

DRESS CODE

You are allowed to wear civilian clothing but your choice of clothing must be appropriate attire. Inappropriate attire includes, but is not limited to:

- Torn clothing or clothing with holes exposing the skin
- Shorts or cutoffs
- Shirts with any type of offensive print or pictures
- Clothing that exposes the armpits
- Head coverings (i.e., hats, hoodies, scarves, etc.); religious head coverings are exempt.

Footwear will be worn at all times when you are outside of your assigned housing area.

A bathrobe or pajamas may be worn in place of clothing but only when inside your room or going to and from the restroom or shower areas. The length of your bathrobe must be at least to your knees.

HOUSING

Each bed and matching locker are marked A, B, C. or D. You will be assigned a bed during your Orientation. Bed assignment changes can be made by asking any deputy and are subject to availability.

CLEANLINESS OF THE HOUSING UNITS

Cleanliness of the dayrooms is the responsibility of all inmates and it is mandatory you contribute. Cleaning assignments for the dayrooms are posted on the bulletin board; it is your responsibility to complete your assigned duty.

Your bed must be made any time you do not occupy it. You must secure your personal items in your locker/s when you leave the facility. If you do not have enough space in your lockers, you must send some of your property home. Nothing is to be pasted or taped outside the designated area (painted square) in your room or hanging on hangers from the fixtures.

LAUNDRY AND LINEN EXCHANGE

Blanket exchange will take place quarterly. It is your responsibility to launder your sheets. You can use the washers and dryers in Pod 2 for your personal laundry between the hours of 0600 to 2230. Laundry detergent can be purchased through commissary.

MEALS

You must sign up for your meals one day in advance in order to receive them. You are allowed to sign up for one breakfast, lunch and dinner per day. Meals in the facility are served as follows:

Breakfast: 0500 hrs. Lunch: 1100 hrs. Dinner: 1700 hrs.

If you are not here during the lunch hour, you may sign up to receive a sack lunch to take out of the facility. All dinners are refrigerated in a Styrofoam container and are to be eaten in accordance with your scheduled return time. The meal sign-up sheet is located at the check-in/check-out deputy station. Place your initials next to your name on the meal sign-up sheet. Prior to receiving your meal, tell the deputy your name, and the deputy will check the meal sheet to verify you signed for a meal. Sign up for meals only for yourself and only for meals you will consume. Do not remove any items from the refrigerator without permission from the deputy. Unauthorized removal of items may result in disciplinary action.

INCOME VERIFICATION

Income will be verified by an ASP staff member through your employer to ensure the calculation of your daily fee is correct. Inmates who are self-employed must provide their previous year's income tax return or W-4 form for verification of income. If you are a contract employee you must show proof of a 1099 form. If you change employment your new income will be verified and your daily fee recalculated. If you become unemployed due to being laid off or terminated, your daily fee will be recalculated to the minimum fee unless you are on the MOPS program. When employment is established, once again your income will be verified and your daily fee recalculated.

PAYING ON YOUR ASP ACCOUNT

Deposit your cash or credit card payment into the cash kiosk located in the Pod 2 receiving area. No personal, payroll or business checks are accepted. Payments can also be made on-line at MyCarePack.com or call 1-866-394-0490 to make a payment by phone. When depositing funds into the Kiosk you must enter the required inmate information. Always select Trust Account; if you select Bond Account this option will place your deposit into the wrong Canteen account and charge you a \$5.00 non-refundable fee. Enter your coins into the kiosk first, followed by your cash. Once the transaction is complete three receipts will print. It is your responsibility to maintain a positive balance in your account. If your account gets in arrears you will be subject to removal from the ASP and a Motion to Show Cause for Contempt of Court will be filed with the jurisdictional court.

WORK SCHEDULES & WORK HOURS

Your weekly work schedule is a two-part form starting from Monday through Sunday. The schedule must be completed in its entirety and submitted on Wednesdays by 12:00 pm (1200 hours). The deputy will sign off on your schedule and return the yellow copy.

- You may work up to six days per week with a maximum of 60 working hours. Travel time and lunch breaks are not included in the 60 hours. This includes self-employed inmates working from a home office or rented office space.
- You must be in the facility a minimum of 8 hours before checking out again for work or any other event.
- You must have one full day (24 hours) off in a 7 day period, which you will spend in the facility.
- Your work schedule must be submitted each Wednesday for the following week. All schedules are completed and turned in one week in advance.

You will be allowed to leave the facility according to your approved work schedule and you must adhere to your approved work schedule. If you leave work early you must call the ASP office and speak to a deputy. If you need to make a legitimate change to your already approved/entered schedule, you must submit a revised schedule for approval; revisions are for emergencies only. Incomplete schedules or failure to submit a schedule may result in lockdown until a schedule is submitted and approved. All scheduled appointments such as doctor, haircuts, probation, attorney, etc. must be scheduled one week in advance. Haircuts are limited to one per month. If you work out of your home read the Self-Employed section of this guide.

Home Detention clients: You are required to abide by the same timeline rules when submitting your schedules. Schedules must be turned in personally or emailed to ASPSchedule@arapahogov.com. The ASP clerks' office hours are 9:00 am – 5:00 pm (0900 – 1700 hours) daily and their contact numbers are 720-874-3312 and 720-874-3308.

Home Detention Clients are entitled to a commissary and a church day; however, both events must be scheduled on the same day. If participating in both commissary and church you are allowed 5 hours beyond your scheduled work hours. If you participate in just one of the mentioned events you are allowed 3 hours.

MILITARY TIME EQUIVALENTS

completely filled out you must return it to the ASP office. ASP deputies will make unannounced visits or telephone checks on a random basis. Therapy times and locations must be included on your weekly work schedule. AA meetings, community service and impact panels are not considered therapy and are not allowed while participating in the ASP.
