Double Shooting Leaves One Man Dead

Aug. 2, 2018; 12:50 p.m.

Investigators from the Arapahoe County Sheriff's Office are working the scene of a shooting that has left one man dead.

Deputies were called to the residence in the 1100 block of S. Clinton Street, in unincorporated Arapahoe County, at about 8:30 a.m. on a report of shots being fired. On arrival, they found two people inside the home with apparent gunshot wounds. An adult female was transported to an area hospital. An adult male was pronounced deceased at the scene.

Investigators believe the shooting is related to a report of an assault at the home that occurred earlier today at about 4:15 a.m. Two people inside the home suffered minor injuries during the assault and the attacker fled before deputies arrived. The attacker was known to at least one person inside the residence. Investigators were actively attempting to locate him when they were dispatched back to the residence.
