

WANTED

Historic Sheriff's Office Items or Photos

The Sheriff's Office is always interested in **items** or **photos** that retirees may still possess from their years of service at ACSO, especially those from **before 1980**. In some cases, what you have in your garage or basement may be one of few examples, if any, remaining. For example, we recently had some ACSO Dive Team items returned, including a wrist depth gauge from 1959. Last year, we received an original 1954 issue "Sam Browne" duty belt from Mr. Lee Elling former Chief Deputy (Undersheriff) for Sheriff Chick Foster. What your grandkids will throw away or sell on EBay a few years from now may be something of importance to future generations of ACSO deputies and other visiting law enforcement professionals.

Late 1960s Summer Uniform

1950s-1960s Uniform

1880s-1890s ACSO Badge

We now have more display cases around the ACSO headquarters and we display many items from the 1880s through the 1990s. We are always looking for more unique items (**1975-1979 maroon neck tie anyone???**). If your item or photo is displayed, your connection will be noted on the accompanying placard. Thanks for your help!

If you have any items (uniforms, badges, leather gear, patches, pins, equipment, etc.) or photos you think might be of interest for display or publication, please contact Capt. Ken McKlem at (720) 874-3759 or kmcklem@arapahoegov.com or Lt. Dave Thompson at (720) 874-4066 or dthompson3@arapahoegov.com.
