Q: What do you tell students and parents about school safety?

A: School safety is the responsibility of everyone. It is about engagement and feeling connected to your school.

If you hear or see something, say something. Be aware of your surroundings, whether that is in school or out in public. Know who is around you and where to go to safety if necessary.

Q: What do you enjoy most about being a school resource officer?

A: I enjoy the challenges the job entails with supervising 13 SROs and working with four school districts.

Q: What is one accomplishment you'd like to tell us about?

A: Professionally, in 1998 I set the sheriff's office record for arresting the most DUI's in a year, 134. That record still stands. Personally, In 2017 I got a hole in one playing golf.

Q: What is your favorite hobby?

A: Golf, golf, and more golf.
