Deputy Ed Bryan, II has been in law enforcement since 2009. He has served as a school resource officer since 2015. Deputy Bryan was previously on the SWAT team and a field training officer.

Q: What would you tell a student, parent or staff member about keeping schools safe?

Deputy Bryan: Maintaining a safe learning environment for our children is an honor. I take great pride in protecting our children. However, we still need help from everyone to complete the task. If something looks wrong or there is a suspicious person in or around the building, please let me know right away.

Q: What do you like most about being an SRO?

Deputy Bryan: I enjoy interacting with students. Our youth have fresh views and vibrant personalities. They have much to offer the world and can really make life fun!

Q: What is your biggest accomplishment?

Deputy Bryan: My biggest accomplishment is my family. From my wonderful wife who supports and encourages me to my sweet and spicy children who keep me and my wife on our toes. We don't ever have a dull moment and I wouldn't trade it for anything.

Q: What is your favorite hobby?

Deputy Bryan: My favorite hobby is setting up nerf ball ambushes on my wife with my children.
